

# Report aggressive and violent behaviour. It's never OK.

Up to 95% of our healthcare workers have experienced verbal or physical assault, but these incidents are currently chronically under-reported. Aggression and violence is never OK. Report it to your employer, so together we can work towards reducing these incidents and stop it happening to you or your colleagues again.

**AGGRESSION AND VIOLENCE  
AGAINST HEALTH WORKERS.  
IT'S NEVER OK**

**How to report aggressive and violent behaviour in your workplace:**
